## **LIFEPAK 2nd Grade Bible**

## **201**

When it's time to instill biblical truth into the heart of your second grader, where will you turn? LIFEPAK 2nd Grade Bible Unit 1 Worktext is a great place to start! Using lessons from the life of Daniel, this child-centered, consumable booklet, the first in a ten-part series, will impress upon your second grade student several important biblical concepts. Who wouldn't want their child to know and believe these truths—God created you, God loves you, and God helps you? Imagine the impact that these foundational spiritual truths will have on your young student's life! What could be more important?

## 202

Is there anything more important than teaching your children to know and love the Scriptures? Are you looking for a curriculum that will help you do just that? Why not try LIFEPAC 2nd Grade Bible Unit 2 Worktext? Using lessons from the life of Moses, this child-friendly, consumable workbook, the second in a ten-part series, will impress upon your second grade student many important biblical truths. Your child will learn about Moses in Egypt, Moses in the desert, and how God and Moses talked to each other. Real-life application of these important biblical principles is encouraged throughout each lesson. Doesn't it sound great?

## 203

Train up a child in the way he should go, and when he is old, he will not depart from it. Are you looking for a curriculum that will help you train up your child? At Alpha Omega Publications we have just what you're looking for. The LIFEPAC 2nd Grade Bible Unit 3 Worktext is a child-friendly, consumable booklet which will impress upon your child two critical biblical concepts, God's character and God's relationship with His people. The third in a series of ten, this colorful booklet presents lessons on God's greatness, His faithfulness in keeping His promises, our responsibility to obey, and finally, God's desire to reward His people. Real-life application of these important biblical principles is encouraged throughout each lesson in this Alpha Omega curriculum.

## 204

II Timothy 3:16 reminds us—All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness. The LIFEPAC 2nd Grade Bible Unit 4 Worktext focuses on the critical doctrine of inspiration. The fourth in a ten-part series, this colorful booklet presents lessons on several of the Bible's most prolific writers—Moses, Isaiah, Matthew, Mark, and Paul—as well how the translation of Scripture has made the Bible available to people all over the world. Is there anything more important than this?

## 205

When it's time to instill biblical truth in the heart of your second grader, where will you turn? The LIFEPAC 2nd Grade Bible Unit 5 Worktext is a great place to start! Using lessons from the life of David, this child-centered, consumable booklet, the fifth in a ten-part series, will impress upon your second grade student the importance of living for God, just as David did. David's life—his days spent tending sheep, his sin, his relationships, and his love for God—will teach your child many relevant truths about life and about God's dealings with man. Imagine the impact of learning what it means to be a child after God's own heart! What could be more important?

## 206

Is there anything more important than teaching your children to know and understand who God is? Are you looking for a curriculum that will help you do just that? Why not try LIFEPAC 2nd Grade Bible Unit 6 Worktext? Rich in biblical truth, this child-friendly, consumable workbook, the sixth in a ten-part series, will impress upon your second grade student many important biblical truths. Your child will learn about the omniscience of God, God's eternality, the character of God, God the Creator, and knowing God's will. Real-life application of these important biblical principles is encouraged throughout each lesson in this Alpha Omega curriculum.

## 207

Train up a child in the way he should go, and when he is old, he will not depart from it. Are you looking for a curriculum that will help you train up your child? The LIFEPAC 2nd Grade Bible Unit 7 Worktext from Alpha Omega Publications is a great place to start! Using lessons from the life of Joseph, this child-centered, consumable booklet, the seventh in a ten-part series, will impress upon your second grade student the importance of standing up for what's right, just as Joseph did. Joseph's life—as a child at home, the brothers who hated him, and his time in Egypt as both a slave and a ruler—will teach your child many relevant truths about living a life of obedience to God. Imagine the impact of learning to stand for truth just like Joseph did!

## 208

In a culture intent on tearing down the institution of the family, how will you instill a biblical view of family into your child's heart? What does the Bible really say about the family? The LIFEPAC 2nd Grade Bible Unit 8 Worktext focuses on this critical question. The eighth in a ten-part series, this colorful booklet presents lesson designed to help your child better understand what a family is and why God created them. Real life lessons—both good and bad—learned from Adam's family and Abraham's family help point children to the truth.

## 209

It's never too early to begin to instill a biblical world view in your children. Is there help for parents who long to do this? The LIFEPAC 2nd Grade Bible Unit 9 Worktext is a great place to start! Using lessons created to teach children about God's dealings with the nations, this child-centered, consumable booklet, the ninth in a ten-part series, will impress upon your second grader several important biblical truths. Lessons learned from the story of the tower of Babel—the people of Babel and God's judgment at Babel—will teach your child many relevant truths about God's dealings with mankind. What could be more important for your child than learning that God is always involved in the lives of His people?

## 210

Is there anything more important than teaching your children to know and understand who God is? Are you looking for a curriculum that will instruct your child in how he can know God through His Word? Why not try LIFEPAC 2nd Grade Bible Unit 10 Worktext? Rich in biblical truth, this child-friendly, consumable workbook, the tenth in a ten-part series, will impress upon your second grade student many important biblical truths—concepts like God as our Father, the Word of God, life with God, and belonging to God. Real-life application of these important biblical principles is encouraged throughout each lesson in this Alpha Omega curriculum.
